Stop by Eagle Golf & Grill or Lincoln Greens GC to register your child today.

Come join us this off-season for a junior golf camp like nothing Springfield has ever seen before. We have assembled the BEST instructors to work with your children. Give your aspiring junior golfer the chance to learn from top instructors, and experience a day in the life similar to a touring professional. Imagine Junior Golf Camps offer a variety of programs for boys and girls of all abilities, ages 8-17. Our two Camps offer something for every junior.

The Shoot for the Stars Camp (recommended for intermediate and advance juniors) is more training intensive, and includes instruction on how to prepare for tournament play as well as how to seek out opportunities for High School and College golf.

Both camps are focused on skills such as putting, chipping, full swing, mental preparation, nutrition and fitness. We will also cover Rules of Golf and on course etiquette.

Imagine Jr. Golf Camp at Eagle Golf & Grill

Just Imagine where golf might take you! We are here to show you all the possibilities. We will look at all aspects of golf from the life lessons you can learn, these lessons transcend anything that can be put on a scorecard. Honesty, integrity and respect for rules are just a few of the skills that come with learning how to putt, chip and drive.
