2026 Pasfield Friday Morning Ladies 2-Person Scramble Golf League

1. Both players on a team will tee off and play the ball in the best position. This will be repeated until the ball is in the hole.
2. Players can play the ball “up” within 1 unfolded scorecard length of the balls original position. Must be kept in like conditions.
3. Players may take 1 club length relief from staked trees and yardage markers.
4. All putts must be holed out (NO GIMMIES). Player 1 should **NOT** tap in until Player 2 has had a chance to make the putt. Once a ball has been holed, the score shall be recorded.
5. If both players balls may be lost or out of bounds, both players must play provisional ball OR take a two-stroke penalty and play from the edge of the fairway at the approximate distance from the hole where the lost ball would have been.
6. All play will be from the Red tees.
7. Teams will play against one another each week with points being awarded as follows: 10 points are available each week (1 point per hole) & 1 points for total (team that wins the most holes)
8. Team handicaps will be established and applied to the scorecard for each round (i.e. Team A hdcp = 10, Team B hdcp = 7, Team B will get a shot on the 3 hardest holes)
9. Subs are allowed, encouraged & needed! A new team handicap will be created any time a new sub fills in. If a team is short a player, the player that is present will play their own ball (no scramble) and a handicap will be created for that round. The individual score will NOT affect the team handicap.
10. A PACE OF PLAY Policy will be in effect. It is highly encouraged that groups play 9 holes in 2 hours and 15 minutes.
11. The teams, schedule, and weekly/season long results will be posted on the following website: <https://pasfieldfridayladies.golfleague.net/>
